WWW [Bold Profile](#)

Dynamic and ambitious pharmacy student and self-driven programmer with strong leadership, organizational, and communication skills, successfully building two parallel career paths in clinical pharmacy and technology. President of EPSF-DUM with proven success in managing large-scale events, cross-functional teams, and high-impact community initiatives. In parallel, advancing my programming career through formal training and hands-on projects in Python and web development. Passionate about excelling in both pharmacy and tech, and seeking opportunities where I can contribute exceptional value through clinical expertise, project management, and digital solutions — driven by dedication, innovation, and strong leadership. Healthcare professional with commitment to excellence in patient care and support. Proven ability to assist in clinical settings and adapt to dynamic environments. Strong focus on collaboration and achieving positive outcomes. Reliable and flexible, with demonstrated skills in medical support and patient interaction.

Skills

- Creativity & Innovation
- Critical Thinking & Complex Problem-Solving
- Bilingual communication skills
- Time management
- Flexibility & Adaptability
- Dependable & Responsible Work Ethic
- Fast Learning & Continuous Development
- Team Leadership & Supervision
- Volunteer Coordination
- Team Collaboration & Engagement
- Community Service Leadership

- Strategic Planning & Decision-Making
- Project Management & Workflow Optimization
- Event Planning & Coordination
- Meeting & Scheduling Support
- Administrative Support
- Mail management and documentation
- Event Participation & Logistics Management
- Social Media Management
- Marketing & Promotion
- Computer Skills (Microsoft Office: Word, Excel, PowerPoint, ...)
- Digital tools proficiency

Experience

Oct 2025 - Current **Member in Gender Equality Program, Public Health Committee**

IPSF

- Contributed to designing and promoting awareness initiatives focused on gender equity, community protection, and inclusive health education.
- Supported campaign planning, content creation, and outreach activities aimed at empowering youth and strengthening safe, respectful environments.

Aug 2025 - Current **President**

EPSF-DUM

- Led the association's strategic direction, strengthened internal structure, and ensured high-quality operations across all committees and activities.
- Oversaw event management, member development, partnerships, and organizational workflow to enhance performance, professionalism, and community impact.

2025 - Current **Member in IT Committee**

EPSF

- Contributed to developing digital solutions that enhanced workflow efficiency, data organization, and member experience across EPSF activities.
- Supported website updates, technical troubleshooting, and the digitalization of forms, evaluations, and committee tools.

President

Sep 2024 - *Pharmaceutical Student Association (PSA)*

Aug 2025

- Led a 100+ member team to deliver impactful initiatives including:
- PHocus Conference: Largest conference at Deraya (600+ attendees, national level speakers, complex logistics).
- Blood Donation Campaigns: Organized street + school awareness, donor recruitment in underserved areas.
- English & Science Clubs: Designed interactive learning programs; mentored team on content creation, public speaking.
- Orphanage Visits & Fundraising: Coordinated donation drives, planned engagement activities.
- Built a cohesive team from prior internal conflict; coached members toward personal and professional growth.
- Designed and implemented member evaluation system using Excel, Google Forms, QR codes.
- Took on cross-functional roles: marketing, PR, external relations, design, event logistics.

Jul 2024 -
2025
